Should any such defect occur during the lifetime of the original purchaser (and as long as the original purchaser is still living and retains ownership of the property), SUV will repair or replace, at its option, the defective fence product. SUV also reserves the right to refund the amount paid by the original owner for the fence. SUV shall not be liable or responsible for labor charges or other expenses whatsoever in connection with removal or installation of either the original or replacement product. In the event of repair or replacement under the terms of this warranty, the original warranty shall apply to the repaired or replacement fence material, and will extend for the balance of the warranty period in effect at the time the material proved defective. The lifetime coverage offered by this warranty is designed to cover individual homeowners only. Notwithstanding anything set forth above, the fence is warranted against yellowing of the product due to normal weathering from the elements. SUV shall have sole discretion to determine, based on reasonable criteria, whether the fence is suffering from normal weathering. If the fence weathers to a degree determined by SUV to be beyond normal, SUV will either repair or provide replacement material, at its option, for the defective fence. SUV also reserves the right to refund the amount paid by the original owner for the fence material and accessories (but not including the cost of its initial installation).

This warranty does not apply to fence which has been painted, varnished or coated over the manufacturer's original finish. SUV reserves the right to discontinue or modify any of its products, including the color, without notice to the homeowner/consumer, nor shall SUV be liable in the event the replacement material may vary in color or gloss in comparison to the original product as a result of normal weathering.
